Hi Leigh,

Sorry for the delayed response. I've been out this week for Spring Break.

Yes, please send updated notes for Balboa Reservoir. I need to submit a draft by Wednesday EOD. Can you send over a draft by early afternoon?

Thanks,

Jenny Lam

Hi Jenny,

Ken tells me that the Mayor and the Chancellor are meeting on Monday 4/8 and wanted me to ask if you'd like an updated set of notes regarding Balboa Reservoir? Of import, we are still going to ask the Chancellor to meet with Ken, you, Ed Reiskin, and John Rahaim to discuss the Facilities Master Plan. Additionally, Ken is briefing Sean this week about another potentially sensitive topic related to our project and the College's proposed bond. I'm happy to write up some notes if you think it will be helpful to have on hand.

Thanks, Leigh
