Hello all-friendly reminder that hour comments on these are due to me tomorrow.

One change: I don't see anything different in the executive summary and in the memos themselves. So, just review the memos.

Hi all,  
Balboa Reservoir has completed the drafts of their non-CEQA transportation analysis. The goal is to have this published alongside the CEQA analysis in early August, so the review turn-around is a bit tight. Good news is that you don't all have to review all of the documents.

Mari and James: please review and comment on the Parking Analysis memo *and* the Parking Analysis section in the Exec Summary

James and Tony: Please review the operations analysis memo *and* the operations analysis section in the Executive Summary

Tony, Jessica/Scott: Please review the shuttle study *and* the shuttle section in the Executive Summary

Please make your comments in the attached spreadsheet and send back to me **by Wednesday, July 10.**

Charge your time to 10001722.PLN0023-02.

Thank you!

Carli
