Hi Jon,

Mark Tang requested that we present an informational update to the SFPUC CAC at their meeting this coming Tuesday. We will be showing the same slides as at Planning Commission yesterday. Here's the link to their agenda: <https://sfwater.org/Modules/ShowDocument.aspx?documentid=13923>. I wanted to make sure you were aware.

Thank you again for sticking it out last night at Commission. I think it was important that the Commissioners heard from everyone about the project. I really appreciate your time.

I'm so sorry Tracy! I got caught in a meeting. Please see attached presentation slides. I know it's long but we'll still be fine with 15 minutes – it goes fast. Thanks

Hi Leigh,

We aim to post the agenda with links to the presentations by this afternoon. Would you be able to send the slides over by 1pm? I'm copying my colleague Sabrie Grays who will be posting the agenda and materials.

This is what the language looks like for the agenda. Let me know if you have any corrections:

1. **Presentation and Discussion: Balboa Reservoir Project Update** (*15 minute presentation, 10-15 minute discussion*)

- Presenters

- Leigh Lutenski, Office of Economic & Workforce Development
- Kearstin Dischinger, BRIDGE Housing
- Joe Kirchofer, AvalonBay Development
- Resources
  - [Balboa Reservoir Background on SF Planning Department site](#)
  - [SFPUC CAC Resolution on the Balboa Reservoir adopted on March 15, 2016](#)

Thank you!

Hi Leigh,

Thank you for confirming the presenters. I look forward to receiving the Powerpoint Point slides.

Can you let me know what the title of the presentation should be for the agenda?

Hi Tracy and Mark,

That would be great, thank you! I've confirmed with the developer team that they can attend, so you can lock us in. Likely presenters will be:

Leigh Lutenski, Office of Economic & Workforce Development (*project manager for the City on this project*)

Kearstin Dischinger, BRIDGE Housing

Joe Kirchofer, AvalonBay Development

I got your calendar invite and I will forward it to Kearstin and Joe. We're presenting at the Planning Commission tomorrow and it will be a perfect template for the SFPUC CAC. I can send it to you when it's finalized tomorrow.

Please let me know if you need anything else from us at this point. Thank you again for the invitation!

Hi Leigh,

Happy to put you at the top of the agenda so that you don't have to stay the whole meeting. After the first ten minutes of typical CAC business, we can turn it over to you.

Hi Tracy and Mark,

Thanks so much for reaching out! We're definitely interested in presenting and updating the SFPUC CAC – I am checking in with the team to see if we have people available for next Tuesday (I've already marked it down). Once I get confirmation I'll email you again. Where do you think the item would fall on the agenda? I received feedback from one person that earlier is better but I know it's not always easy to move things around.

Be in touch soon – thanks, Leigh

Hi Leigh,

If you are available for the Full CAC meeting, we typically meet at 5:30pm at SFPUC's headquarters at 525 Golden Gate Ave. The Full CAC hasn't heard updates on the Balboa Reservoir in close to two years but was engaged during the development of the RFP. IT would be great if you had a presentation that has already been presented recently that could be brought to this group before the EIR gets released.

Thanks,

Tracy Zhu

Hi Leigh,

It was good to see you last night at the Balboa Reservoir CAC meeting. As you're aware, I sit on the SFPUC CAC seat on the Balboa Reservoir CAC. As we're getting closer to the Draft EIR being released, I wanted to reach out to see if staff and/or the project sponsors would be able to attend the next SFPUC CAC meeting.

The SFPUC CAC has supported the Balboa Reservoir development and it's been a while since they've received a complete update on the status and progress. There is strong interest in continuing the conversation.

The next SFPUC CAC meeting is scheduled for next Tuesday, June 18, 2019 - I know this is short notice, but I was hoping you or other staff at OEWD could attend and give an in-depth update on progress and next steps to the full SFPUC CAC.

I've also copied Tracy Zhu, the SFPUC CAC staff liaison.

Thanks!

Mark
