**Subject:** Neighborhood for Balboa Reservoir project when finished?

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Hi Seung Yen--

Some of the board members are wondering what neighborhood the BR project will belong to when it is finished. I see from the property map it is part of Westwood Park, but that being a historic neighborhood with a context statement, it seems unlikely to me presently that the project would be included under that name.

Any thoughts? Precedents?

I believe I recall you saying you are due soon -- best of everything!

-Amy
