Subject: RE: PROPOSED new DEIR dates

Hello again Balboa folks,

I want to make sure everyone is on the same page re: the next Balboa CAC meeting. Despite considering new dates for the meeting to avoid the DEIR comment period, there is a good chance that we'll proceed with the original date on September 9th.

For those who will need to attend the meeting – Sue, Sheila, Mark, Casey, Joe, Kearstin, design team, transportation consultants?, Carli if available – please continue to hold all three Monday evenings until this is nailed down, which I expect to be later this week.

The topic is transportation. In advance of the meeting I will organize a separate meeting or series of meetings with staff so that we can collectively compile high-level talking points that connect and distill take-aways from all our various transportation studies.

Thanks, Leigh

We are available for a 9/30 BRCAC meeting; or 10/7 if need be.

To be clear: I will be at a conference for the new planning commission date, but am available for the new CAC date.

I will be out of town at a conference, but can send someone else in case there are transportation questions (though Environmental planning usually is able to handle any transportation related questions that come up at these hearings) .

Hello all –

Below are the hot-off-the-presses new dates for the DEIR. Please review and REPLY ALL WITH CONFIRMATION that the dates work for you/your teams. We are locking in the Planning Commission hearing date ASAP. These dates represent a 2-week delay.

DEIR Release: Wednesday, August 7th

DEIR Planning Commission Hearing: Thursday, September 12th

DEIR Comment Period Close: Monday, September 23rd

New Proposed BRCAC September Meeting: Monday, September 30th (*we will need Carli, Mark D., Casey H. from SFMTA; Kearstin & Joe – you will need your transportation/design team*)

Notes: the Planning Commission calendar was full on 9/5 which is why we're pushed 2 weeks. The CAC meeting is scheduled for 9/10 but we do not want to hold it during the comment period (legal and communication issues).
