Dear Jeanie,

It's entirely possible that you meant to send this message to Leslie Milloy, Chief of Staff.

But just in case you meant it for me, since I am "associated with the College and have expressed an interest," I recommend that the following people receive hard copies:

Academic Senate President, Alexis Litzky
Classified Senate President, Maria Salazar-Colon
Department Chairpersons Council President, Darlene Alioto
Associated Students President, Angelica Campos

Here are their e-mail addresses so they can let you know how to get hard copies to them:

alitzky@ccsf.edu
msalazar@ccsf.edu
dalioto@ccsf.edu
acampo25@mail.ccsf.edu

I also recommend sending a hard copy to Rosenberg Library at 50 Frida Kahlo Way.

If you can send one to my home address, I will make sure that a number of faculty see it:

117 Brewster Street
San Francisco, CA 94110

Thanks so much!

Best,
Leslie

Hello,

We will be publishing the draft EIR for the [Balboa Reservoir Project](#) on August 7. We would like to make the document available for review by students and faculty at City College. I am contacting you because you are associated with the college have expressed interest in this project. Can you recommend a library, student center, or other location or contact person at the college to whom we can send copies?

Thanks,

Hi Lal –

Yes, the Draft EIR for Balboa Reservoir is currently on the advance Planning Commission calendar for September 12, 2019. If you would like updates on when the DEIR is released and the hearing date for the DEIR, I would notify the project planner (Jeanie Poling jeanie.poling@sfgov.org) that you would like to receive these notifications.

Hi Candace,

I was recently told that the Balboa Reservoir project Draft Environmental Impact Report was on the agenda for 9/12 planning commission meeting. Do you know if this is the case?

Thank you,
