Jeanie,

Can you have Devyani sign the initial study signature page again? The new M-CR-3 text shifted things a bit. I've attached the updated page. Thanks!

Hi Susan,

Please make the attached change to the mitigation measure. Also, I also notice one instance in the initial study where we spell it “archaeological” instead of “archeological” – please take out the extra a to be consistent.

Thanks,

Jeanie Poling
