Subject: Balboa Reservoir draft environmental impact report

To Department Chairpersons Council President, Darlene Alioto

Hello Ms. Alioto,

We will be publishing the draft EIR for the [Balboa Reservoir Project](#) on August 7. We would like to make the document available for review by students, faculty and staff at City College. A member of the public recommended that I send the draft EIR to you.

I will email you a link to the document on publication day. If you would also like a paper copy, please send me your mailing address. Please also feel free to pass on this information to any other potentially interested parties.

Sincerely,

Jeanie Poling
